

## SUMMER 2011 HALF-DAY SITES

**National Junior Tennis and Learning** (formally National Junior Tennis League) is a great way for young people ages 7-17 to exercise, make friends, and have fun in a team oriented and safe environment. It is 7 weeks of top-notch tennis instruction, team and individual match play, and life skills lessons. Our program will feature a ½ hour educational component on four out of the five days of the week (excluding match days). Each week our young people will have leadership and life skills workshops, reading and reflective writing activities, and learn about Arthur Ashe's historical life and legacy. In addition, t-shirts are provided to each participant.

Our instructors, many of whom participated in the program as kids, are well trained, responsible and nurturing. We are grateful to the Philadelphia Department of Parks & Recreation, the Camden Recreation Department, and many sponsors for their partnership and support.
